O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

HISTORY

Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942 not by state or church but through a community movement, initiated by the YMCA, to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and lifelong learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to providing an outstanding learning experience for its more than 24,000 students. The University offers more than 100 majors, specializations and concentrations in areas as diverse as public affairs, journalism, art and culture, engineering, high technology, and international studies. Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

COAT OF ARMS

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: Sable a maple leaf Gules irradiated and charged with an open

book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules.

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The

phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. Ours the Task Eternal is taken from a Walt Whitman poem entitled *Pioneers* and ties in with the eternal quality of the phoenix.

The Carleton University coat of arms therefore symbolizes sound learning, good citizenship, and the highest hopes of humanity.

THE MACE

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. During the ceremony, the mace is displayed as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff about one metre long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in Latin and English—*Opera Nobis Aeterna* and *Ours the Task Eternal*. From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

THE DIPLOMA

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior

academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

ACADEMIC DRESS

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. The bachelor's hood is made of black stuff. The master's and doctor's are made of black silk. All are lined with silver silk, with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: applied science is orange with a black cord sewn slightly in from the lower border; architecture is cerise; architectural studies is cerise with a black cord sewn slightly in from the lower border; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; humanities is white with a red cord sewn slightly in from the lower border; industrial design is dark cardinal; information technology is maize including a green chevron to denote the joint degree and applied diploma from Carleton University and Algonquin College respectively; international business is camel brown with a red cord sewn slightly in from the lower border; journalism is white with a black cord sewn slightly in from the lower border; management studies and business administration are camel brown with a black cord sewn slightly in from the lower border; mathematics is hunter green; music is venetian pink; public administration is peacock blue; public affairs and policy management is teal with a gold cord sewn slightly in from the lower border; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree in 1954 to the second secretary general of the United Nations, Dag Hammarskjöld. The tradition of awarding honorary degrees to secretaries general of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; venetian pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; cerise for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

ALUMNI HALL

The Alumni Hall and Sports Centre opened in 2005 and serves more than 750,000 visitors every year. The new centre has tripled the usage for athletic and other activities and has doubled the size of the cardio facilities at the University. The Alumni Hall and Sports Centre, which also houses the Ravens' Nest, the home of men's and women's varsity basketball teams, welcomes graduands and their families twice a year during Spring and Fall Convocation ceremonies. The Carleton University Alumni Association donated \$2.5 million towards the construction of this exceptional facility.

OFFICIATING OFFICERS

Chancellor of the University

Marc Garneau, C.C., C.D., B.Sc., Ph.D., F.C.A.S.I.

Marc Garneau was named Carleton University's ninth chancellor in 2003.

Dr. Garneau's first career was in the Canadian Navy. In 1983, he was selected as an astronaut and became the first Canadian to fly in space in 1984. He flew on two other missions before becoming the executive vice-president and then president of the Canadian Space Agency. Dr. Garneau ran for the Quebec Liberals in the 2006 federal election in the riding of Vaudreuil-Soulanges. He became an officer of the Order of Canada in 1984 and was promoted to the rank of companion in 2003.

President and Vice-Chancellor, *pro tempore*

Samy Mahmoud, B.Sc., M.Eng., Ph.D., P.Eng.

Samy Mahmoud, president and vice-chancellor *pro tempore* since 2006, is the driving force behind many new innovative academic programs that are contributing to Canada's knowledge base. He is also honorary chancellor of the University of Sharjah in the United Arab Emirates, responsible for leading strategic planning.

A member of Carleton's Faculty of Engineering and Design for about 30 years, chair of the Department of Systems and Computer Engineering for 10 years and dean from 1998 to 2006, Dr. Mahmoud transformed the faculty into one of Carleton's flagship programs. He was acting provost and vice-president (academic) in 2006. His research includes opto-electronic systems, wireless data networks and sensors networks.

Chair of the Board of Governors

Jacques J. M. Shore, LL.B., LL.L.

Jacques Shore is chair of the Board of Governors and an ex officio member of all board committees. He is also the chair of the Council of Advisors of the Canadian Centre for Intelligence and Security Studies in Carleton's Norman Paterson School of International Affairs (NPSIA) and a member of the school's Distinguished Advisory Council. He joined the Board in 1999.

A partner in the advocacy department and government relations practice group of the national law firm, Gowlings, Mr. Shore focuses on administrative law and regulatory affairs, negotiations, trade and procurement issues, environmental issues, security intelligence and criminal justice matters, aviation and aerospace and government relations and advisory work.

The Presiding Officer of Convocation is the Chancellor of the University, Marc Garneau, C.C., C.D., B.Sc., Ph.D., F.C.A.S.I.

Accompanying him on the podium are Samy Mahmoud, B.Sc., M.Eng., Ph.D., P.Eng., President and Vice-Chancellor *pro tempore*, and Jacques Shore, LL.B., LL.L., Chair of the Board of Governors.

UNIVERSITY AWARDS

Board of Governors Award

Primarily intended to honour non-academic work, this award recognizes voluntary involvement in the not-for-profit sector

Jeffrey J. Beyer

Jeffrey Beyer is graduating with a combined honours degree in economics and psychology. His involvement with the global community and his motivational speaking about international development and the environment reflect his dedication to empowering others towards positive change. He is involved with Engineers Without Borders and helped found the World Bank's Youth Development and Peace Network.

Founders Award

Carleton University's highest non-academic honour recognizes a significant contribution to the advancement of the university

Ruth Bell, M.A., LL.D.

Alumna and former Carleton University professor, Dr. Ruth Bell has ardently supported many causes at her alma mater and in the public sphere for six decades. Her dedication to advancing women's rights, education and an understanding of our nation's political system has made a lasting contribution to generations of students.

Henry Marshall Tory Award

Recognizes a student's high academic achievement and solid commitment to Carleton University Students' Association and the Carleton community

Darran Fernandez

A graduating student of mass communications and political science, Darran Fernandez is actively involved in the Carleton and greater Ottawa communities through his work with the Carleton University Students' Association, Residence Life and Student Affairs. He is also a dedicated volunteer of programs co-ordinated by Big Brothers Big Sisters Ottawa.

Patrick O'Brien High School Teaching Award

Established in 1998 to acknowledge outstanding high-school teachers in Eastern Ontario who inspire and influence their students to succeed

Janet Munroe-Carpenter, B.Math. B.Ed., North Grenville District High School

More than a quarter of a century with the Ontario Secondary School Teachers' Federation, Janet Munroe-Carpenter has been happily teaching mathematics at North Grenville District High School since 1982. She earned a mathematics degree from the University of Waterloo and an education degree from the University of Western Ontario.

Patrick O'Brien High School Teaching Award

Robert Geddes, B.A., B.Ed., Notre Dame Catholic High School

A teacher and coach at Notre Dame High School in Carleton Place, Robert Geddes ended up teaching in the Ottawa Valley in spite of intentions to leave Canada forever. Ten years later, he believes he has the best vocation in the world. He earned his education degree from St. Andrew's College, University of Glasgow.

MORNING CEREMONY

Thursday, June 12, 9:30 a.m.

*Degrees conferred at Spring Convocation are awarded by Senate in February and in June.
Degrees awarded in February are denoted by an asterisk (*)*

HONORARY DEGREE RECIPIENT

Frank O'Dea, O.C., LL.D.

A man of hope, vision and action, Second Cup co-founder Frank O'Dea will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Thursday, June 12, in recognition of a distinguished record of public service and community leadership.

Mr. O'Dea's rags-to-riches story of succeeding against all odds is an inspiration to all entrepreneurs. Forty years ago, he was panhandling in the alleys of Toronto and sleeping in 50-cent-a-night flophouses. After a few stabs at running such businesses as selling coin sorters to churches or coffee beans to consumers, he envisioned selling coffee by the cup. He eventually sold his interest in Second Cup, which became the largest chain of gourmet coffees and teas in the country, and co-founded Proshred Security, a company that pioneered the industry of on-site document destruction. Today, he is one of Canada's most successful entrepreneurs. Mr. O'Dea's achievements also extend to the not-for-profit sector, nationally and abroad. As founder of War Child (Canada) and co-founder of Street Kids International and the Canadian Landmine Foundation, he has raised awareness about landmines, street children devastated by war or family circumstances, and AIDS orphans. Last August, he launched a book about his inspiring journey, *When All You Have is Hope*.

AFTERNOON CEREMONY

Thursday, June 12, 2:00 p.m.

*Degrees conferred at Spring Convocation are awarded by Senate in February and in June.
Degrees awarded in February are denoted by an asterisk (*)*

CONVOCATION SPEAKER

Dr. Pierre Coulombe, B.A., B.Sc., Ph.D.

As president of the National Research Council (NRC), Dr. Pierre Coulombe has used his extensive experience in the university, public and private sectors to support the commercialization of science and to make Canada more innovative and competitive in using new technologies. He is a member of l'Ordre des Ingénieurs du Québec, l'Ordre des Administrateurs Agréés du Québec, and an associate member of the CFA Institute.

Prior to heading the NRC, Dr. Coulombe worked as a private industry executive, a consultant, a professor of medicine and a senior official for the Quebec government. He was also chair of the board and chief executive officer of the Centre de recherche industrielle du Québec, and president and chief executive officer of the Centre de recherche informatique de Montréal and Infectio Diagnostic Inc (IDI). At IDI, he helped showcase Canada's leadership in medical research and diagnostic technology, completing rounds of private equity financing and negotiating major research contracts. In 1984, he was instrumental in establishing the ministère de la Science et de la Technologie. Dr. Coulombe was a Medical Research Council scholar and an assistant professor of medicine at Université Laval, where he studied physics engineering and experimental medicine. He has written many publications and communications in endocrinology.

ORDER OF PROCEEDINGS

Afternoon ceremony

Thursday, June 12, 2:00 p.m.

Chancellor Marc Garneau, C.C., C.D., B.Sc., Ph.D., F.C.A.S.I., presiding

The audience is requested to stand when the Academic Procession arrives and remain standing until 'O Canada' has been sung. At the conclusion of the ceremony, the audience will wait until the Academic Procession has left before exiting the Fieldhouse.

Processional Music

John Robert Coghill Jr., B.Mus. (bagpipes)

Garry Matthews (snare drum)

Craig Moffatt (bagpipes)

O Canada (*The audience is invited to sing. Please see page 2.*)
